SPRAYER INDUSTRY 12 L

The sprayers of the series Industry line are special devices for extraordinarily difficult applications such as car wash, oil platforms or industrial cleaning applications. They are resistant to lots of chemicals which are used in industry. Due to the acid-resistant lance, the EPDM / Viton seals and the extremely durable high-pressure container the devices are designed for the most difficult cleaning applications. Safety for the user is absolutely guaranteed.

Field of application: Oil industry, Chemical industry, Control of epidemics, Workshops and factories, Disinfection and rat control
